Diversión con propósito

Scouting proporciona que la juventud con un sentido que ellos son importantes como individuos. Ellos encuentran que éstos en el programa de Scouting se interesan acerca de lo que sucede a ellos, a pesar de si un juego es ganado o es perdido.

Mientras varios grupos de actividades y grupos de juveniles enseñan habilidades básicas, Scouting va más allá y favorece que la juventud logre una apreciación más profunda para sí mismos y para su comunidad.

Por último, y quizás más importante, Scouting promueve actividades que llevan a responsabilidad personal y amor propio. Como resultado, cuando las decisiones duras tienen que ser hechas, la presión ejercida por los iguales se puede resistir y correctas decisiones hechas.

El programa de Scouting ofrece diversión y experiencias desafiantes para los chicos por medio de actividades como acampar, excursionismo, construyendo proyectos y servicio comunitario. **El programa desarrolla a los chicos mentalmente, físicamente, socialmente y espiritualmente.** Las habilidades que ellos aprenden en Scouting los ayuda a vencer obstáculos y desafíos con valor y carácter a través de sus vidas.

Dé a su hijo un regalo valioso favoreciéndole a unir a los Boy Scouts hoy. El tiempo que usted invierte en él hoy hará una diferencia en la persona que él llegue a ser mañana.

Fun with a Purpose

Scouting provides youth with a sense they are important as individuals. They find that those in the Scouting family care about what happens to them, regardless of whether a game is won or lost.

While various activities and youth groups teach basic skills, scouting goes beyond that and encourages youth to achieve a deeper appreciation for themselves and their community.

Finally, and perhaps most importantly, Scouting promotes activities that lead to personal responsibility and high self-esteem. As a result, when hard decisions have to be made, peer pressure can be resisted and the right choices made.

The Scouting program offers fun and challenging experiences for boys through activities like camping, hiking, building projects and community service. **The program builds boys mentally, physically, socially and spiritually.** The skills they learn in Scouting help them overcome obstacles and challenges with courage and character throughout their lives.

Give your son a valuable gift by encouraging him to join Boy Scouts today. The time you invest in him today will make a difference in the person he becomes tomorrow.
