

EMERGENCY MEDICAL RESPONDER (EMR) VALLEY CLASS

During a disaster, when Professional Fire and Medical Services are not available, you can be one of the first responders helping in your neighborhood.

This American Red Cross EMR class will teach you how to perform life-saving skills.

It is a great class to get you started learning advanced medical training in First-Aid/CPR/AED, trauma care and the EMS system in general. Classes are lecture and skill based with a variety of hands on components.

This curriculum can be applied for Title 22 and CERT Level 2 & 3.
