L.A. City Charter Sec 900. Purpose (Of Neighborhood Councils)

To promote more citizen participation in government and make government more responsive to local needs, a citywide system of neighborhood councils, and a Department of Neighborhood Empowerment is created. Neighborhood councils shall include representatives of the many diverse interests in communities and shall have an advisory role on issues of concern to the neighborhood.

Our Mission is to bring forward our concerns to our elected officials,

From the Ralph M. Brown Act, 1953

“The people of this State do not yield their sovereignty to the agencies which serve them.

The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know.

The people insist on remaining informed so that they may retain control over the instruments they have created.”

We are a department within the city of Los Angeles. We are required to follow city and state laws. The Brown Act does not allow us to discuss anything that is NOT on tonight's agenda. There is an item called PUBLIC COMMENT where you can address items NOT on the agenda. The President has suggested time limits for each item so that the meeting will end around 915p. Time allocations are approximate and may be shortened or lengthened at the discretion of the President. The time keeper is:
