10. LAND USE: Discussion and Possible Action regarding – 16949-16955 West Sherman Way (Previous location for Sizzler Restaurant)

The LBNC Land Use committee met on **16JAN2023** NO VOTE was taken. Several concerns were raised:

- a. Traffic hazard onto Sherman Way East
- b. Traffic into the community of Single Family homes
- c. Privacy issues for single family homes on Cantlay from upper floors
- d. There are no other 4 story buildings in the area
- e. Not enough parking for the apartment residents which would overflow into single family resident homes
- f. Could this be a Senior/Retirement building
 - I. **Stakeholder1-Does not support this project. None of the issues are not being addressed. It was supposed to be Senior Housing but now it will be Market Rate Housing.**
 - II. **Stakeholder2-Does not want the project approved. They want to take away the cul de Sac on Cantlay. Stop trying to push luxury homes.**
 - III. **Jennifer Green-She has not been receiving the required letters. She works from home. There will be 111 apartments with no entrance on Sherman Way.**
 - IV. **David- He opposes the project. The city said the developer has to address the concerns but they aren't. There has not been enough outreach.**
 - V. **Eric Lieberman- Registered Lobbyist representing the applicant- The existing street configuration will remain the same. A Senior Complex is not feasible. 17 units are set aside for low and very low income. An MND and Traffic Study were done. Reduced parking is an incentive from the state for building affordable housing.**
