Lake Balboa - Where good neighbors make a great community

November 2010

It's the Season for Giving Thanks

Don't you just love the holidays. Thanksgiving is one of our favorites. A day to get together with family and friends, enjoy good food and most importantly, give thanks for our many blessings. Before you sit down and give your blessings why not join in the Lake Balboa 5K Turkey Trot and Kids 1K Gobble Run at 8:30 a.m. on Thanksgiving Day, Thursday, November 25th at the lake, at 6300 Balboa Blvd. Enjoy!!

Call 311 for Just About Everything

Did you know that you can call 311 for just about everything? This wonderful system allows you to talk to a real person (unbelievable) and report anything from bulky item pick-up, graffiti, abandoned vehicles, and request pothole repairs (well, this last item may take a while.) Seriously, when you call either the operator taking the call will take the report then and there or refer you to the appropriate department. This is indeed a great service of the City of Los Angeles.

PET TALK: Yes, we have all encountered them—and sometimes been frightened for ourselves and our dear pets—dogs running loose either by themselves or accompanied by their owners but not on a leash. Please be mindful that others do not know your dog, whether it is friendly, cuddling and nice and would not hurt anyone—and do not take a chance that a complaint is filed against you for not obeying the city's leash laws.
