## **Sidewalk Sale to Support Making Strides Against Breast Cancer Sunday April 29<sup>th</sup> from 8 AM to 2 PM.**

The Lake Balboa Curves Team is holding a *sidewalk sale* with all proceeds to be donated to the American Cancer Society. The sale will take place on the sidewalk in front of the Curves Fitness Club at 17624 Sherman Way.

For more information or to make arrangements to drop off sale donation items on Saturday April 28<sup>th</sup> or early Sunday April 29<sup>th</sup> call Curves of Lake Balboa at 818-668-8433 or email [CurvesLakeBalboa@gmail.com](mailto:CurvesLakeBalboa@gmail.com).

Your fundraising support enables the American Cancer Society to save lives by:

- Helping people stay well by educating and empowering women to live healthy lives and reduce their risk for breast cancer, and to get screening tests such as mammograms to find breast cancer early, when it is easiest to treat
- Helping people facing breast cancer get well by providing information, day-to-day help, and emotional support to guide them through every step of their breast cancer experience

- Finding cures by investing in and conducting research that leads to groundbreaking discoveries into breast cancer's causes and cures

Fighting back by working with legislators to support laws that help fight breast cancer and help all women get access to screenings and care

**The Making Strides Against Breast Cancer 2012 walk will be held Saturday June 9<sup>th</sup> at Woodley Park in Lake Balboa, starting at 8:00 AM. Support the Curves of Lake Balboa Team**

## **REDUCE CRIME THROUGH FORECLOSURE TRACKING**

Unmonitored foreclosures tend to attract crime to neighborhoods. In order to continue reducing crime, LAPD West Valley Area - working in partnership with our Neighborhood Council - has created a Report Foreclosures link on the home page of the website [www.westvalleypolice.org](http://www.westvalleypolice.org).

When you click on this link you have the ability to provide all the information you would like about the foreclosure location. You can also provide your personal information for a follow up contact or remain anonymous. The only required information in order to submit a foreclosure location is the street number of the property, the street name, and the city. Help us continue to reduce crime and keep your neighborhoods safe by reporting suspected foreclosures in your area. You can make a difference!
