

Neighborhood Council

Neighborhood News June/July 2015

From LBNC President, Linda Gravani lindag@lakebalboanc.org

Hi Neighbors !

Council Files: This is how the city operates, a council file is presented at City Council. It could then be referred to another city department(s) and returns to City Council with their findings and ultimately a vote FOR or AGAINST by our representatives.

Cityclerk.lacity.org -on the right side you will see **SEARCH Council Files-** Click on it. At **simple search**, type in a topic EX: **Sherman Way Tunnel** check out **Council File (CF) 14-1153**.

This is an issue CURRENTLY before the LA City Council. Ms. Nury Martinez (CD6) represents Lake Balboa at City Hall. You can also go to **Advanced Search** and click on **CD6** to see many issues regarding our community.

We need help **to follow these files** which you can do from the comfort of your own home. Please let me know if you can lend a hand. Our voice needs to be heard Thank You !

*Please join your
Lake Balboa Neighborhood Council
for the monthly meetings:*

1st Wednesday – of the month @ 6:30 PM

17000 Gault Street School Auditorium

Airport jet noise or early-turn flyovers bothering you? The LBNC is taking action on behalf of the community and formed an Ad Hoc committee open to all who wish to have a voice and make a difference in addressing this vital issue. There have been sharp increases in jet run-ups and idling, and unnecessary early-turn flyovers that make the enjoyment of our homes impossible. The committee will build a coalition of concerned parties in the region and work with officials and pilots to expedite a resolution to these issues.

Contact natalie@lakeBalboaNC.org

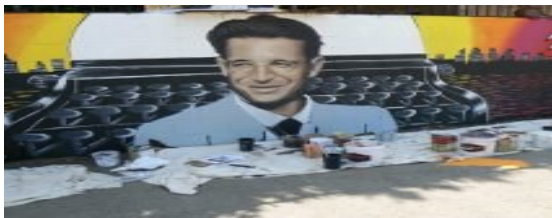

Land Use Committee

What do you want our community to look like in 5-10 years? Over the coming months, it will be the goal of this committee to explain to you, who we are, the purpose for our existence, how we represent you and the community. We will also, explain the process by which all Planning Applications for a given project must go through, to reach a final decision on that project, including the appeal of the decision made by the Department of City Planning (DCP) and your Council Office (CD6 Nury Martinez). **We will also explain how you can be directly involved with the process and show you how your vote can affect the outcome of the decision of a given project**

ERaD –Economic Revitalization and Development–

LBNC is undertaking a bold new initiative to improve our community. We are behind the "Movie Madness" events. Lakebalboanc.org/moviemadness. We are also mapping our businesses to build partnerships and awareness for the gems we have right here in Lake Balboa! If you are interested in seeing our neighborhood thrive and develop, come get involved.

Lake Balboa NC sponsored a mural created and painted by the students of **Daniel Pearl Magnet High School** (Journalism School) with help from **West Valley LA Police Cadets** and Senior Lead officer Steve Olivares. The mural is a tribute to the slain Wall Street Journal reporter. His likeness, which was approved by the Pearl Family, was painted by **Levi Ponce**, mural artist. Levi also mentored the students on

their creation. Please see this beautiful mural on Haskell between Vanowen and Victory. News of the mural has generated response to the school from around the world. Daniel Pearl Music Days is held worldwide in October every year. Danny attended Birmingham High School.

July 25 –August 2, 2015

7000 Athletes / 177 Countries
